We start another school year
But in a different way
We're doing what we want to do
In our own individual way

We're schooling for our future
With training of a different kind
We learn by our own progress
And help to train our own mind

So now we go on our own
Each trying to do his part
It's the beginning of a new life

Tradition has it that one special faculty or administrative advisor should be dedicated to by the student body. This year's student body has decided that all faculty and administrative advisors are equally important to the school's functions. Therefore, this year's student body is dedicating the annual to all faculty and administrative advisors.

administrative staff

J.F. Hockaday, our president, is a very important figure at CCTI. His duties require decisions concerning all matters of the school. As our representative, he communicates with Administration and students. He believes that all students should further their educational background for their future endeavors. From all the students of CCTI, we are proud to have Mr. J.F. Hockaday as our president.

Mr. Walvertan.

It is a fantastic group of people who administer the students of C.C.T.I. The S.G.A.'s main purpose is the legislative, executive, and judicial authority. In so far as student affairs are concerned, the S.G.A. works under the supervision of the Institute and Administration. It serves as the organ of the students in their relations with the officials of the Institute. The S.G.A. did their thing in making great memories from the past year.

phi Beta Lambda

Phi Beta Lambda is the national organization for all young adults in post-secondary institutions enrolled in business programs. The activities of Phi Beta Lambda provide an opportunity for business students to prepare for business and office occupations. The Phi Beta Lambda here at CCTI has 28 charter members. They sold Christmas candles to send officers to the state and local conventions. Mr. Robinson and Mr. Dalrymple are really at work with this organization. We hope that in the future years this organization will continue and achieve the recognition that they deserve.
